**27%** achieved Level 5+ in Reading, writing and maths – **above national average (21%)**

**97%** Reading 2 levels progress – **above national average (88%)**

**47%** of children making more than expected progress in Reading – **above national average (30%)**

**92%** Writing 2 levels progress – **above national average (91%)**

**28%** of children making more than expected progress in writing – below national average (30%)

**97%** maths 2 levels progress – **above national average (88%)**

**38%** of children making more than expected progress in maths – **above national average (31%)**

VALUE ADDED 3 year trend **101.1% - 101.0% - 101.0%** **above national average**

All significant groups / subjects **above predicted success rate to achieve Level 4 and 5:**

**Reading, writing & Maths combined – attainment at level 4 based on prior performance**

**High achievers – 100%** success rate – **above national average (99%)**

**Middle Achievers - 92%** success rate – **national average (83%)**

**Low Achievers - 27%** success rate – **national average (26%)**

**Reading, writing & Maths combined – attainment at level 5 based on prior performance**

**High achievers – 78%** success rate – **national average (63%)**

**Middle Achievers - 16%** success rate – **national average (10%)**

**Low Achievers - 0%** success rate – **national average (0%)**

**Expected attainment of identified pupil premium groups**

**Value added of Pupil Premium pupils 100.7% - above national average of 99.8%**

**Attainment of Pupils with Free School Meals or children looked after**

71% achieved level 4+ in Reading, writing and maths - above national average 63%

94% achieved level 4+ in maths - above national average 77%

86% achieved level 4+ in Reading - above national average 78%

73% achieved level 4+ in writing – in line with national average 73%

#### **Attainment of Pupils with SEN without a statement**

41% achieved level 4+ in Reading, writing and maths - above national average 38%

84% achieved level 4+ in maths - above national average 61%

68% achieved level 4+ in Reading - above national average 63%

45% achieved level 4+ in writing – below national average 51%

#### **Progress of Pupils with Free School Meals or children looked after**

98% achieved expected progress in maths - above national average 84%

96% achieved expected in Reading - above national average 84%

88% achieved level 4+ in writing – below national average 89%

#### **Progress of Pupils with SEN without statement**

93% achieved expected progress in maths - above national average 77%

95% achieved expected in Reading - above national average 79%

88% achieved level 4+ in writing – above national average 84%
